

BRILLIANT COMPONEER®

A Smile Made Brilliant

Workshops and Training Courses

BRILLIANT COMPONEER workshops and training courses at Basic and Advanced levels are regularly available, for learning how to restore anterior teeth with BRILLIANT COMPONEER.

BRILLIANT COMPONEER Basic Course

- ▶ Getting to know the product
- ▶ Refreshing existing knowledge
- ▶ Treatment of simple cases
- ▶ Sales support

BRILLIANT COMPONEER Advanced Course

- ▶ Solving more complicated cases efficiently
- ▶ Getting to know new options
- ▶ Sales support

The learning objectives may vary slightly per course. Ask your COLTENE representative for more information.
